THE New Orieans Christian Advocate

solicitation of his wife and physician first time in his life.

Beat Directory" by the merchants, ing into everlasting obscurity. which contains the names of persons who are "bad pay." Many prominent citizens who were never suspected of dishonesty appear in the list, and a public indignatian meeting was held.

frozen out.

paper a nuisance. Whereupon the editor wrote a bitter article on the shorcomings of Soth Carolina "Bourons," and ended by giving his adress.

church property.

Each county in Texas has received a Texas, and many of the counties now but the interest has never been used except to aid in the support of public schools.

In his mssage to the Arazona Legislature Governor Frement makes the exbenefits of the annual River and Harapplied to increasing the water supply of the territory.

A shocking tragedy was enacted at Lapeer, a village seventy miles north of Detroit, Mich., on Sunday evening. While the people were at church Mrs. Barnard went to the house of the Rev. E. Curtis, the Baptist pastor, and attacked his wife, who is about sixty-five years old, throwing her down, pouring gasoline oil over her clothing and then setting it on fire. She was so shockingly burned that she lived but a few hours. It is believed by many that Mrs. Barnard is insane from religion excite-

THE poisonous wall paper question the following words: adulteration of articles of food and drunkenness. It is this head ong moveprotection for the public in ways that or the sword,' which tramples alike on are much needed.

HIRAM SIBLEY, of Rochester, New York, is mentioned as the largest farm owner in the world. He has more than four hundred farms in New York, Illinois and Michigan. Although past his seventieth birthday, Mr. Sibley is still absorbed in business.

GENERAL WEAVER predicts that there will be no democratic candidate for the we have a splendid stock of first-class Plano presidency in 1884. "There will be only two candidates in the field,,' he which are very reasonable, when the large circulation of THE COUNTY PAPER is considered, ment candidate, and the greenback says, "the republican, or strong gaverncandidate."

> GENERAL GRANT'S kindness of heart is matter of comment for the Albany Express. It relates that at the reception there, the other day, an old man, poorly elad, passed the General timidly by as though he thought the great man would not condescend to notice him. Quick as thought the General reached out after him, seized him by the collar, brought him gently back, seized his hand warmly and released him.

General O.O. Howard said the other day to a reporter at Chicago: " I belive ever fairminded American cares more for the principles which actuate conduct at West Point than for the particula case of Whittaker, I believe that a hearty politeness, such as General Washington displayed when he declared that he would not seffer a negro to be more polite than he, would relieve the social mestion of much embarressment at West Point as elsewhere."

A neglected political genius living in ORGAN says: 'Forty thousand murders have Bergen County, New-Jersey, has made in the World been committed in the southern States the starting discovery that Gartield is since the war," and calls upon "the not eligible to the Presidency because pulpit and the press to denounce the be went to Europe for a few months in barbarous custom of carrying deadly the summer in 1867. This individual, Senator Hamlie,72 years of age, purchased the first overcot be ever owned last week. He had an attack of inflamatory rheumatism, and at the carnest atory rheumatism, and at the earnest to the office of President." Congress olicitation of his wife and physician onsented to wear an overcost for the lest time in his life.

RICHMOND, IND., is very much excitconsented to wear an overcost for the declare Hancock elected. Where is ed over the publication of a "Dead a fool of himself once more before laps-

THE latest step of the advocates of temperance in Connecticut is to have introduced in the State Legislature a bill for the appointment of a commission of three persons by the Governor, REPORTS from the southern parts of who shall compile a book suitable for Indiana and Illinois, received at the study in the public schools, which shall Evansvill (Ind.) Courier office, say that contain the conclusion which science there will be an almost entire failure of and experience have verified with rethe wheat crop in that region owing to gard to the effect of alcoholic liquors the late planting and early and hard on the body and brain, with such other winter, a large part of the wheat land matters as shall show the rebeing a mass of ice and the seed being lation of such alcoholic drinks to personal estate and to the public well being. The text-book must not exceed WADE HAMPTON has stopped his fifty pages and cost not more than subscription to the Charleston Mercury twenty cents. The boards of education because it printed an article which he must see that every scholar has one of did not like In a private letter to the the books. If towns neglect to provide editer he called him importinent and his them, they are not to draw money from the school fund.

In the course of description of the daily life of Alexander H. Stephens at Washington a writer in the Louisville ARCHBISHOP PURCELL'S affairs are Courier-Journal says: "Punctually at still unsettled, and about four hundred 8 o'clock he is ready for a game of of his five thousand creditors have held whist. He plays the game well, but a meeting in Cincinnati, in order that never finds fault with his partner when the suit against the church property a mistake is made. When he wishes may be prosecuted more vigorously. an mexperienced player to understand It the suit should be successful one that she must lead trumps he mimics hundred congregations would lose their the great Napoleon and exclaims, 'Oh! for Blucher and might!' If ladies are in his partor he inquires if smoking is gift from the State of four leagues of offensive to them, and if there land to be used for the suport of county are any objections offered no academies or high schools. This provision was made in the early legislation of ing pipe is to him as great a solace as ing some one of his young gentlemen have a fund of from \$25,000 to \$60,000, friends to escort the ladies to their homes, gallantly apologizing for his inability to do so himself."

SECRETARY of the Navy Goff while a prisoner in Libby Prison was put in close confinement as a hostage for a traordinary suggestion that inasmuch as Major Armsey, of the Confederate Arizona, having no seacoust or large army, who had been taken inside the river, cannot expect to share in the Union lines and sentenced to be shot as a spy. Upon the execution of Armsey ber bill, Congress ought to appropriate Goff was to be instantly shot. His a sum equal to Arizona's share to be sufferings were extreme, and he was compelled to live on rats skinned and cooked by the negroes and smuggled to him. He not only bore this for eightyseven days, but wrote a letter, now on file in the War Department, in which he said that his life ought not to stand in the way in determining Armsey's fate. "The life of a single soldier," he wrote, "ought not to stand in the way of adherence to a great principle." General Goff was finally exchanged, atter a transfer to the Penttentiery at Saulsbury, N. C., in August, 1864.

> CHANCELLOR HOWARD CROSBY, in the Boston Monday lecture course, concluded a lecture upon temperance in

and some other cognate questions are Let me distinctly say that I do not again made prominent by Mr. George oppose the principle of total abstinence L. Angell's testimony heard on Thurs. from all that intoxicates for the individday at Washington by the House of ual. Every man is at liberty to abstain, Representatives' Committee on Manu- if he will; and it is his duty to abstain factures. Mr. Angell offered proofs if his own conscience command itthat nearly one half of the wall paper That against which I contend, and soid-and not green papers only-con. which I hold up as the hindrance to tain arsenic in dangerous amounts. He true reform and the promoter of the gays that glucose and oleomargarine drunkard's cause, is the total abstinence products are likewise pernicious, and crusade or propaganda; the forcing todeclares that there is peril in using can- tal abstinence upon the community as ned articles when they are put up in the duty of all; the putting under the tin. After Mr. Angell's testimony was ban every one who does not follow that heard the committee adopted Mr. standard; the insisting upon total ab-Beale's Bill, which aims to prevent the stinence as the only safety against drink, and there is thus the promise of ment which virtually cries.
